2004 Repair Price List

Federal Telecommunications Warranty

Every product we repair at Federal Telecommunications, Inc. carries a full one-year advance replacement warranty.

General Repair Procedures

Our business hours are Monday – Friday 8 a.m. – 5 p.m. (Pacific Time). Prior authorization is required for any product being shipped to us for repair. After obtaining the necessary information from you we will issue you a "Return Authorization" (RA#) number. Upon receipt of the defective equipment we will ship the repaired items back to you within 5-10 working days.

Advance Replacement Policy

****We can offer you equipment before we receive your defective equipment.****

We can immediately ship a replacement product within 24 hours of issuing a Return Authorization Number (RA #). The charge for this service is \$25.00 per item. This charge will be billed along with the repair cost for your defective equipment. When you receive your advance replacement equipment immediately ship your defective equipment to Federal Telecommunications, Inc. If we do not receive your defective equipment within 10 days from our ship date your account will be charged an additional \$25.00 for every 10 days the equipment is late. If the defective equipment is non-economical to repair you will be contacted as to a cost to purchase the Advanced Replaced Equipment.
